

TRAFFIC LIGHTS

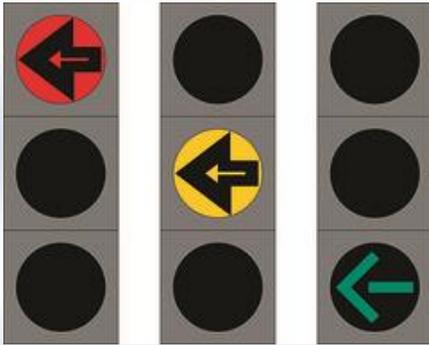

1: Red round light

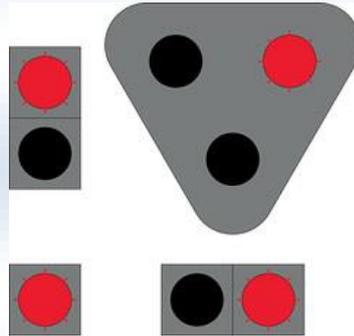

2: Green round light

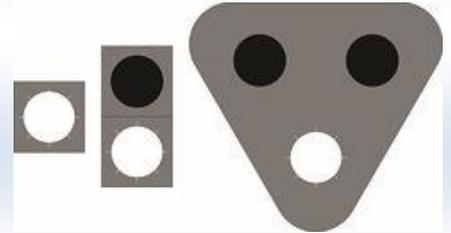

3: Yellow round light

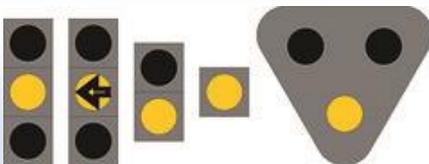

4: Arrow lights

5: Blinking red light

6: Blinking white light

7: Blinking yellow light

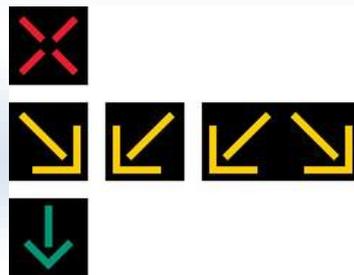

8: Traffic lights for tram

9: Traffic lights for bicycles

10: Pedestrian lights

11: Traffic lights above the lane

At traffic lights, the driver must primarily choose light control. If the traffic lights are working, follow the traffic signs, if they are moving, or the traffic rules.
